Title: The Talking Shoes

Author: Ellie (6 Years Old)

Entered: 11/10/1999
Subject: Magical Arts

Once a pair of shoes
was bought. When
anyone wore them,
they always talked and
chattered as long as
they were worn. The
problem was that it was
hard to buy things while
they were chattering,
because they always
chattered real loud, so
everyone in the store
could hear them.

Then the owen sold the
shoes to someone who
didn`t need to buy
anything, and who
didn`t like to talk much.
The new owner told the
shoes what to say, and
then the shoes talked
for their owner. This
made him happy.
